**ORDER**

On January 8, 2007, the United States Magistrate Judge recommended dismissing plaintiff's claims against Miller County Jail. The parties were advised they could file written exceptions to the recommendation, pursuant to 28 U.S.C. § 636(b)(1)(C). No exceptions have been filed.

A review of the record convinces the court that the recommendation of the Magistrate Judge is correct and should be adopted.

IT IS, THEREFORE, ORDERED that the Report and Recommendation of January 8, 2007, is adopted. [13] It is further

ORDERED that plaintiff's claims against the Miller County Jail are dismissed, pursuant to 28 U.S.C. § 1915A, for failure to state a claim for which relief can be granted.
